On some pages, you can submit information about other people. For example, if you Apply for Housing we require the names of persons living with you.

The Way We Use Information:

We use the information you provide about yourself when submitting information or making a donation on line. We do not share this information with outside parties.

We use return email addresses to answer the email we receive. Such addresses are not used for any other purpose and are not shared with outside parties.

We use non-identifying and aggregate information to better design our website. For example, we may create a report that X number of individuals visited a certain area on our website, or filled out our Volunteer or Housing Application form, but we would not disclose anything that could be used to identify those individuals.

Finally, we never use or share the personally identifiable information provided to us online in ways unrelated to the ones described above without also providing you an opportunity to opt-out or otherwise prohibit such unrelated uses.

Our Commitment To Data Security

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online.

Our Commitment To Children's Privacy:

Protecting the privacy of the very young is especially important. For that reason, we never collect or maintain information at our website from those we actually know are under 13, and no part of our website is structured to attract anyone under 13.
