OUR MISSION

The Mission of Housing Opportunities of Northern Kentucky (HONK) is to help low income families and individuals reach the goal of stable homeownership through programs of education and support.

A healthy outpouring of community support helped HONK reach and exceed our construction goal by rehabbing eight additional homes in 2025. Each home has created another affordable homeownership opportunity for our Northern Kentucky neighbors who would otherwise struggle to become homeowners on their own.

This community support made it possible for our lease-to-own program to successfully guide seven more households across the finish line to achieve homeownership in 2025.

With your help, the impact we are having is changing lives. After all, many of those we serve are not only becoming first-time homeowners, but the first generation in their family to own a home!

The dramatic need for an affordable place to live calls us to do more. A couple of years ago, we laid the groundwork to increase the number of homeownership opportunities we create in a year. We are delivering on that now.

We have work to do to sustain this growth. With your help, our mission moves forward.

Thank you to our volunteers, donors and partners that made 2025 a very successful year!!

David Hastings, Executive Director

"This would have never happened without HONK!" – Teri

"To own my own home means all the work and sacrifices I put in have paid off. I now have a place of peace and safety that is all my own. It means a dream come true." - Wade

"We are so grateful to receive this opportunity. Homeownership is a big accomplishment for our family and we are very excited." – Nour & Walaa

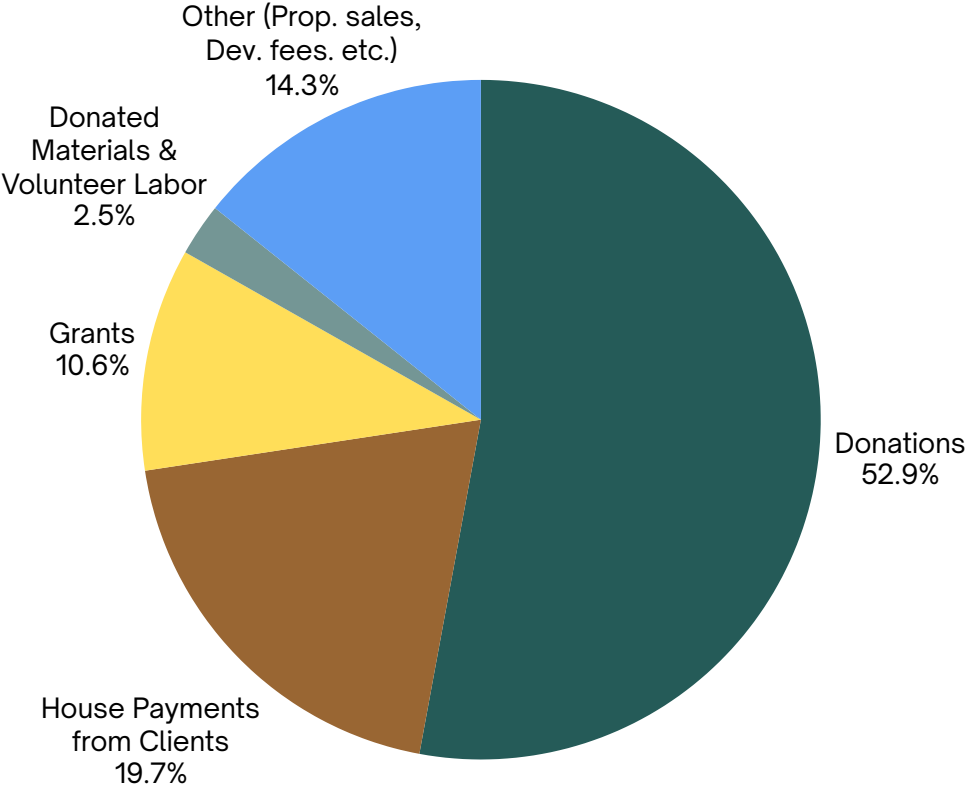

**"I just wish my mom
could be here to see
me achieve this." –
Anne**

**"It's a blessing to be
part of HONK. Today I
start building
generational wealth
for my children." - Eric**
